IWS FAMILY HEALTH

Fiscal Year 2023 Annual Report

TO FRIENDS *of the* INFANT WELFARE SOCIETY OF CHICAGO

Reflecting on the extraordinary journey we've undertaken together at IWS Family Health, we find another year filled with purpose, compassion, and profound impact, all made possible by your unwavering support.

At the heart of our work is the commitment to enable children and families to live healthy and productive lives. With purpose as our guiding light, we have worked tirelessly to create a community where well-being thrives and opportunities for growth are abundant. The strides we've made this year are a testament to our incredible donors, Auxiliary members, community partners, and staff.

To our cherished donors, your generosity enables our purpose to serve those with the most need. Your belief in our mission is the driving force behind our impact.

To our dedicated Auxiliary members, you have stood by us for more than a century. Your passion embodies the spirit of our mission that defines our organization, and we are immensely grateful for your invaluable time and contributions.

To our esteemed community partners, our shared purpose strengthens our collective impact. You are a beacon of inspiration, and we are honored to stand beside you in the pursuit of a healthier, more vibrant community.

To our devoted staff, you are the heartbeat of our organization that fills each day with purpose and meaning. Your resilience, compassion, and hard work have created a health-focused haven for our community and a loving family when we are together.

Together, your contributions have empowered us to provide essential healthcare services, implement a new pharmacy and food pantry, and extend a helping hand to those who need it most. We thank you for all you do. Here's to another year of life-changing service and positive change.

With heartfelt appreciation,

Jerry Isikoff, PhD

GOLD HEALTH CENTER QUALITY LEADER

IWS Family Health was awarded the Gold Center Quality Leader badge from the U.S. Department of Health Resources and Services Administration (HRSA) in 2023.

Only the top 10 percent of 1,400 nationwide health centers receive this prestigious award.

Representatives of the Quality Team

Quality healthcare consists of care that is safe, effective, patient-centered, timely, efficient, and equitable. To receive a badge, health centers must meet or exceed national benchmarks across five groups that promote behavioral health, heart health, diabetes health, HIV prevention and care, and maternal and child health.

IWS Family Health demonstrates unwavering commitment to quality. Our integrated approach to health care, combining physical, dental, and mental health services, ensures a holistic treatment plan for our patients. Every department and staff member makes a difference in the care that we render to our patients: providers, care coordinators, referral and call center agents, all have a hand in providing excellent care. Our Quality Assurance Committee of the board reviews the progress of these systems quarterly to ensure continuous improvement.

MESSAGE *from the* AUXILIARY

Definiteness of purpose is the starting point of all achievement.

~W. Clement Stone

Working together, Auxiliary members have continued to make a difference in the lives of patient families. The 500+ Auxiliary members in seven chapters across the greater Chicagoland area met the financial and healthcare industry-related challenges of 2023 **with purpose**—through new and on-going projects and fundraising efforts.

The Auxiliary's FY 23 **purpose-driven efforts** in support of IWS Family Health included...

- Bringing warmth to IWS families during cold Chicago winters with the Annual Coat Drive. The program reached a milestone in 2023, celebrating its 15th year, by providing 1,038 warm coats for children and adults, including 600 **new** coats.
- Helping the littlest patients get off to a good start through the AngelBaby bags program for moms with newborns. In FY 23, the program expanded to provide over 200 new moms with essential items to help keep babies healthy, including a good baby thermometer, nasal aspirator, gas-and-colic reliever, Vitamin D drops, diaper rash cream, and a baby book.
- Several dozen mini, micro, and pop-up fundraising events by our chapters that benefited patients at the Angel Harvey Family Health Center including a Charleston Wrap Holiday Gifts fundraiser, Bean Soup kits, Luminaria assembly and sales, Baby Showers, Junior Board activities, Donations of dental supplies, Mothers' Day bags, Shop-and-Give events, a Halloween-themed Witches Bicycle Ride (with treats for little Trick-or-Treaters), and more.
- Our signature Chapter major-event fundraisers such as the Lake Forest Showhouse & Gardens month-long event plus its Antiques & Treasures in the Field, Clarendon Hills Light Up the Night dinner-dance, Hinsdale Tablescapes luncheon, Wheaton-Naperville Playing-4-the-Kids Golf and Bridge event, and Oak Brook's Mistletoe Medley luncheon with fashion show and Holiday Gift Boutique.

The Auxiliary continues to be focused on existing and new programs that foster healthy families and help build strong communities. And, as the new year begins, we look forward to another **purpose-driven** year of successful achievements.

Sincerely,

Elizabeth Berglund and Maria Enright
