CREATING HEALTHIER FUTURES

Healthcare is a strategic investment in the future, driving school readiness and supporting optimal growth, so children can learn, develop, and reach their fullest potential.

By supporting high-quality physical, mental, and supportive health services, your company plays a vital role in creating better outcomes for children, families, and our community.

Corporate Investments Matter:

- 93% of patients live at or below the poverty level (\$32,150 for family of four)
- Private donations make up ~25% of the organization's budget, bridging the gap from low Medicaid reimbursement rates.
- 60% of patients are children on Medicaid
- Over 12,000 patients are served with over 50,000 high-quality physical, mental, and supportive health services per year
